

Safety Lever Multi Function Handle Covers

Product Images

Description

A multi-function handle template which serves as a base for alternative covers making this a very useful and flexible product. Various covers can be fitted over the template thus converting it into a lock, latch or bathroom assembly as required. Lock options consist of; Euro, Oval, and Standard profile in various centres. The covers to be ordered separately. The safety lever is a round bar return to door type and the assembly and optional covers meet BS Standard 8300 for disabled people and BS EN 1906 requirements. Comes with a 10-year mechanical warranty and is Fire door rated. Suitable for domestic and commercial use. Part of the Aluminium range.
