

## 19mm D Pull Handles 300mm Centres

### Product Images

---

### Description

---

D Pull Handle. A robust 19mm Dia. round bar with 300mm c/c. A classic tubular design making it suitable for many different environments. Often specified on commercial projects for their flexibility of use especially where a strong, hardwearing pull handle is required. Part of the Steelworx range in grade 316 Stainless Steel. Comes with a 25 year mechanical guarantee and is fire door rated. Suitable for all domestic, commercial and industrial use.
