

Door Viewer 200 degree with Crystal lens

SWE1010

Door Viewer 200 degree with Crystal lens. Standard style door viewer adds a useful security aspect to any door by enabling the user to see who is on the other side of the door before opening it. Extends to suit doors 35 - 60mm deep. For wider doors up to 100mm an extension sleeve (SWE1011) is available.
