

Hand Forged Beeswax Bean T Hinge

Product Images

Description

Hand forged antique style bean tee hinge. The arm narrows slightly towards the oval shaped end. These robust hinges are available in 5 sizes. Ideal for internal doors and cupboards. Heavier doors should consider using three hinges per door. Ideally used in period properties to create that olde world feeling. The Beeswax finish is the simple, age-old combination of hand forged fired metal finished with wax. The product will acquire its own unique patina over years of use. Comes with a 10 year mechanical guarantee. Not suitable for external use.
