

Steelworx Carla Lever on Round Rose

SWB1403SSS

A substantial straight flat fronted rectangular lever on a concealed fix ultra slim round unsprung rose. Part of the Steelworx SWB Blade range in grade 304 stainless Steel. The SWB Blade lever collection is a simple way to achieve a flush mounted appearance for door furniture without extensive routing. All that is required is preparation for the spindle hole and bolt fixing holes at 38mm c/c.
