

## Art Deco Knob on Euro Lock Backplate

### Product Images

---

### Description

---

Knob on lock backplate. Euro profile 47.5mm c/c. The knob has stepped lines and an angular cut at either end and with this detailing repeated on the

backplate easily captures the essence of the Art-Deco era. The Art Deco range of handles and accessories are simply breathtaking in their sophistication and simply ooze elegance, charm and style. Art Deco never goes out of fashion and they will look absolutely stunning in either traditional or contemporary settings. The initiative from the outset was to achieve quality and excellence in design and the attention to detail reflects this high standard has certainly been realised throughout from conception to the finished product.. This product will appeal to specifiers and property owners alike who demand uncompromising quality.

For doors thicker than 35mm you need [SPS85CP](#) or [SPS85SN](#).
