

Peninsula Lever on 6mm Slim Fit Sprung Rose

CSL1127/6SSS

Peninsula Lever on concealed fix press on sprung round rose. The smooth round lever has a slender middle expanding slightly to the end. The CSL lever collection on a slim fit rose reflects the latest trends for subtle discreet fittings with ultra-modern styling and quality engineering. All levers are G304 grade with Grade 201 rose inners and a secure heso spindle fix, ensuring these products are of the highest calibre at competitive pricing.
