

Armas Designer Lever on Sprung Square Rose

Product Images

Description

A diamond-shaped straight bar lever on a concealed fix square press on sprung rose. (Heso Spindle fixing). The lever edge is centrally mitred into the stem creating the angular symmetry that will appeal to those looking for modern clean lines whilst producing a user-friendly ergonomic feel. An unfussy design which will blend well in a variety of applications. Part of a square themed designer lever collection in the Steelworx range in grade 304 Stainless Steel. Certified to BS EN 1906 standard and is fire door rated. Comes with a 10-year mechanical guarantee. Suitable for residential and commercial use. Matching escutcheons, turn and release available.
