

Volantes Designer Lever on Threaded Rose

SWL1116SSS

Volantes Lever on a concealed fix threaded slim rose. A slender flat bar handle, slightly arched, flaring marginally widthwise towards its end which accentuates its form in this modern design. The SWL lever collection on a slim 7mm rose reflects the latest trends for subtle discreet fittings with ultra-modern styling and quality engineering. All levers are G304 grade and come with a secure heso spindle fix, ensuring these products are of the highest calibre at competitive pricing.
