

Serozzetta Edge Lever on Round Rose

Product Images

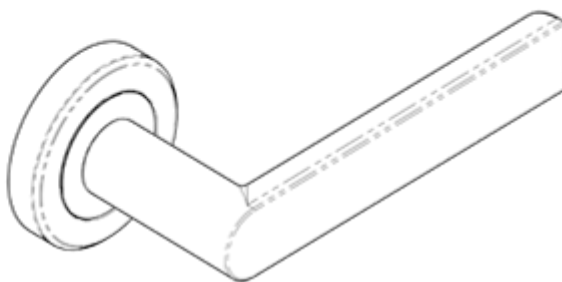

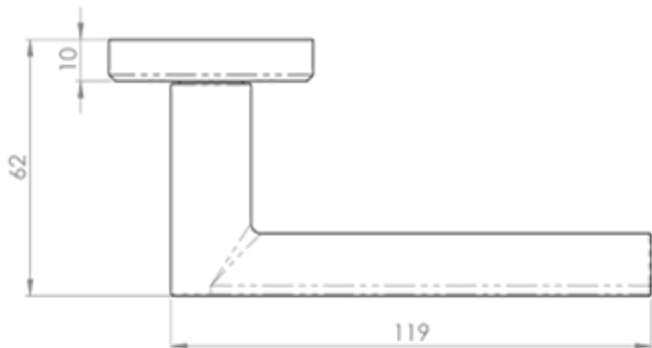

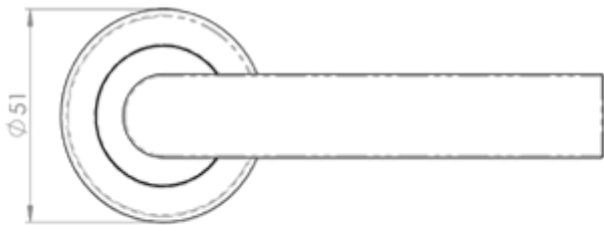

Description

Lever on a concealed fix 2 part screw on round rose. The flat and rectangular design of the lever allows for ergonomic use and is easy to grip. A heavy robust no nonsense lever design for a busy environment. The chamfered edge concealed fix rose reflects the attention to detail in this range. Comes with a 10 year mechanical guarantee and is Fire door rated. Suitable for domestic and commercial use.

Supplied with bolt through fixings and should be used in conjunction with BTL's and Eurospec locks.
