

Floor Mounted Shield Door Stop

AW630-grp

The **Floor Mounted Shield** Door Stop has a **simple and traditional oval design** that has been created from **stainless steel** for a **robust and hard-wearing** door stop that is also economical. Available in satin or polished chrome-plated finishes to suit **modern** homes and apartments.

It has a countersunk hole in the base for **quick, easy and secure screw fixing**.

The end of the doorstop has a black rubber stopper to avoid markings and indentations on doors.
